

The Coconut Creek Police Department is proud to announce that we will be providing a **SAFE ZONE** inside our police station's front reception for residents to carry out exchanges resulting from online transactions. The **SAFE ZONE** Program encourages our residents to utilize this area as a safe place to conduct transactions when meeting someone from an online site to buy or sell items. If the buyer/seller knows they are meeting at the police department and there was intent for criminal activity, this will be a deterrent for them. Our goal is to give our residents a safe place and peace of mind when conducting face-to-face transactions.

We want our residents to know that transactions for the **sale or purchase of weapons are strictly prohibited at the police department.**

Our officers will NOT verify and/or authenticate any item for sale or interact in the transaction (provided peace is maintained and no criminal activity is observed).

The Coconut Creek Police Department front reception is open Monday through Friday, 7:30 a.m. to 6:00 p.m.
