

CITY OF COCONUT CREEK
BENEFIT SUMMARY FOR NON-EXEMPT CIVIL SERVICE EMPLOYEES

GROUP INSURANCE PROGRAM The City of Coconut Creek has a Cafeteria-style group insurance program. We offer medical and dental coverage, Basic and Additional Life insurance, Accidental Death & Dismemberment (AD&D), Long and Short Term Disability, as well as other optional insurance benefits. For each employee, the City pays the premiums for \$20,000 Basic Life insurance, \$20,000 AD&D, Long and Short-Term Disability, and contributes towards the total premium for medical insurance. In most cases, employee only medical insurance coverage is paid 100% by the City's contribution. Proof of medical insurance coverage is required for all full-time City employees. Employees who enroll in the City's High Deductible Health Plan (HDHP) will be eligible to participate in a Health Savings Account (HSA). For those who have employee only coverage under the HDHP, the City contributes a predetermined biweekly amount into the employee's HSA account. For those desiring dependent coverage and/or optional benefits, payments are pro-rated and made by payroll deduction. Eligibility for coverage is 30 days from date of hire, with an effective date the first of the month following the thirty day eligibility period.

Employees who are not covered by the City's medical insurance are eligible to receive a pre-determined amount per plan year, paid bi-weekly. These employees have the option of taking the entire amount in cash (post-tax), placing it into their 457 deferred compensation account (pre-tax), or taking a portion in cash and placing the remainder into the 457 account. 457 plans are discussed in the Pension/Retirement section below.

The City's insurance program also includes a Section 125 Program, which allows eligible employees to pay for dental insurance, dependent health coverage, HSA Contributions (if eligible), Pre-paid Legal, AFLAC, etc., and any other insurance premiums with pre-tax dollars, and/or set aside pre-tax dollars for unreimbursed medical, dependent or elder care. All payments are made bi-weekly by payroll deduction.

PENSION/RETIREMENT PLAN The City participates in the Florida Retirement System (FRS), which offers a choice of either a Pension Plan (defined benefit) or an Investment Plan (defined contribution). The City contributes an amount to the selected plan that is determined by the State Legislature. In addition, employees make a bi-weekly mandatory 3% contribution through payroll deduction on a pre-tax basis. The Pension Plan benefit is determined by multiplying 1.6 times the years of FRS service times the average of the employee's highest eight (8) years of salary. The Investment Plan benefit is based on the performance of selected funds over time. Employees in the Pension Plan are vested after eight (8) years of service; vesting is after one (1) year of service for the Investment Plan. Normal Retirement for the Pension Plan is age 65 with 8 years of service or 33 years of service at any age, whichever occurs first. Early Retirement is any age after eight (8) years, but less than 33 years of service (There is a penalty of 5% per year under age 65.) There is no age or service requirement that must be met to receive a benefit under the Investment Plan.

The City also offers a 457 Deferred Compensation Plan with ICMA, which allows voluntary employee contributions of up \$16,500 per year. Employees 50 years of age and over may contribute an additional \$5,500 per year. Traditional and Roth IRA Plans are also available for employees to make contributions through payroll deduction.
